SHELTER OPERATIONS

Once the CCG has decided to evacuate an area affected by an emergency and shelter operations are required, the following agencies will be responsible for implementing the identified actions in order to facilitate shelter operation:

CCG:

- Direct the activation of shelter operations

Caledon – Director of Recreation and Property Services:

- Identify appropriate municipal or institutional sites suitable to be used under the circumstances as a shelter
- Provide support staff in shelter(s) to support Region of Peel Social Services

Peel Region - Commissioner of Social Services:

- Coordinate the provision and operation of evacuation centres

OPP:

- Maintain law and order in the evacuation area and evacuation centres

Caledon – Director, Building & By-Law Enforcement:

- Provide for the care and welfare of domestic animals, either at evacuation centres or other facilities as required.

Manager of Economic Development and Communications:

- Upon approval of the Head of Council or Operations Officer, the manager of Economic Development and Communications will issue public announcements and instructions concerning shelter locations and the need for community shelters to be used as a place of refuge of last resort.
