Dear Sir,

This is to confirm that Fire Underwriters' Survey currently accredits the Caledon Fire and Emergency Services as meeting the residential requirements for Superior Shuttle Tanker Service within 8 kilometres, by road normally kept open year round, of all nine Town fire stations. It also has met the requirements of a commercial grade 7, in the rural areas, within 5 kilometres, by road normally kept open year round, of all nine Town fire stations.

Yours truly,

Michael McKenna
