

Alton Village Study

Phase 2 - Community Meeting #2

The Town of Caledon, Region of Peel and Credit Valley Conservation have partnered to develop a long term plan for Alton Village. This study, known as the Alton Village Study, will address planning, environmental and servicing implications for new development and the maintenance and enhancement of the existing Village of Alton in an integrated manner. At the completion of this study there will be a Community Plan, Servicing Plan and Environmental Management Plan for the Village.

Phase 1 of the Study has produced a Draft Background Issues Report that presents the results of a background review and analysis to determine existing conditions of the Village. It was released on January 6, 2009 and is in the process of being finalized. Phase 2 is currently underway and involves the identification and evaluation of alternative planning scenarios, and identification of a preferred alternative for the village.

On July 30, the study team will present the draft preferred planning scenario that was developed based on the Community Goal, Objectives and Design Principles contained in the Phase 1 Report; input from residents and stakeholders; and evaluation criteria and a summary of input derived from the February 12, 2009 Community Design Meeting and the June 25, 2009 Phase 2 – Community Meeting #1.

Residents and stakeholders who are interested in the future of Alton are encouraged to attend the next community meeting, which has been arranged as follows:

Date: Thursday, July 30, 2009
Location: Royal Canadian Legion – Alton Branch 449
1267 Queen Street West, Alton

Open House: 7:00 p.m. to 9:30 p.m.

A formal presentation will be delivered by the consulting team at 7:00 p.m. followed by a question and answer period and an opportunity for the public to provide input on the draft preferred planning scenario.

Your participation is very valuable and will help refine the draft preferred planning scenario, servicing options and environmental management strategies. We strongly encourage everyone to attend. For further information on the Alton Village Study, please contact: Ben Roberts, Economic Development Officer at the Town of Caledon, Economic Development & Communications Department 905-584-2272 x.4011 or by e-mail at ben.roberts@caledon.ca
