Alton, Ontario**

Do you support the alternatives that are being considered for water and wastewater servicing of Alton? If not, why?

Do you agree with the evaluation criteria that will be used to select the preferred alternative? If not, what criteria should we change?

Do you have any other information that you would like us to consider in the evaluation of alternatives?

Thank you for your cooperation and involvement in this Project.

Please attach any additional comments in desired. Please leave your completed Comment Sheet in the drop box provided or mail to:
